An example Structure Agreement which meets the requirements of the Statutes is shown below.
***** DIVISION OF RECLAMATION, MINING AND SAFETY *****

Structure Agreement

This letter has been provided to you as the owner of a structure on or within two hundred (200) feet of a proposed mine site. The State of Colorado, Division of Reclamation, Mining and Safety ("Division") requires that where a mining operation will adversely affect the stability of any significant, valuable and permanent man-made structure located within two hundred (200) feet of the affected land, the Applicant shall either:

- a) Provide a notarized agreement between the Applicant and the Person(s) having an interest in the structure, that the Applicant is to provide compensation for any damage to the structure; or
- b) Where such an agreement cannot be reached, the Applicant shall provide an appropriate engineering evaluation that demonstrates that such structure shall not be damaged by activities occurring at the mining operation; or
- c) Where such structure is a utility, the Applicant may supply a notarized letter, on utility letterhead, from the owner(s) of the utility that the mining and reclamation activities, as proposed, will have "no negative effect" on their utility. (*Construction Materials Rule 6.3.12 and Rule 6.4.19 & Hard Rock/Metal Mining Rule 6.3.12 and Rule 6.4.20*)

The Colorado Mined Land Reclamation Board ("Board") has determined that this form, if properly executed, represents an agreement that complies with Construction Materials Rule 6.3.12(a), Rule 6.4.19(a), and C.R.S. § 34-32.5-115(4)(e) and with Hard Rock/Metal Mining Rule 6.3.12(a), Rule 6.4.20(a), and C.R.S. § 34-32-115(4)(d). This form is for the sole purpose of ensuring compliance with the Rules and Regulations and shall not make the Board or Division a necessary party to any private civil lawsuit to enforce the terms of the agreement or create any enforcement obligations in the Board or the Division.

The following structures are located on or within 200 feet of the proposed affected area:

1. Stucco Main House
2. Cedar House
3. Tractor Shed
4. Boat Dock
5. Cinder Block Fire Pit

(Please list additional structures on a separate page)

The following structures are located on or within 200 feet of the proposed affected area
(continued):

6. Log Cabin
7. Log Cabin Septic
8. Underground water from main house to cabin
9. Underground electric from main house to cabin
10. Underground propane to cabin
11. South perimeter fence – north and east fences covered under existing agreement.
12. Windbreak trees along south fence
13. Cottonwood trees adjacent to the pond
14. Driveway cattle guard

CERTIFICATION

The Applicant, Bent County (print applicant/company name)
by Bill Long (print representative's name), as Commissioner (print
representative's title), does hereby certify that Bob & Ronda Bucholz (structure owner) shall
be compensated for any damage from the proposed mining operation to the above listed structure(s)
located on or within 200 feet of the proposed affected area described within Exhibit A, of the Reclamation
Permit Application for Thomeczek Pit (operation name),
File Number M-1995-007.

*This form has been approved by the Colorado Mined Land Reclamation Board pursuant to its
authority under the Colorado Land Reclamation Act for the Extraction of Construction Materials and
the Colorado Mined Land Reclamation Act for Hard Rock, Metal, and Designated Mining Operations.
Any alteration or modification to this form shall result in voiding this form.*
