**Re: Cortez Pit, Permit No. M-1976-059 Technical Revision Application TR-1**

Dear Mr. Sturdevant:

On June 3, 2016, the Division of Reclamation, Mining and Safety received your Technical Revision application **TR-1** for the Cortez Pit Permit No. **M-1976-059**, which is located in Montezuma County. The revision requested addresses the following items:

*-Update seed mix and revise grading scheme, clarify existing reclamation plan*

Preliminary review of the information received determined that the following items must be received before the Division can consider your application as being submitted and technical review can begin:

- 1. Please provide a new map indicating the areas to be revegetated, and approximate contours of the final grading scheme. This map should also contain the permit boundary and any other relevant features.*

Please submit the requested information by the decision due date July 11, 2016. Or your Technical Revision application will be denied and need to be re-submitted. If you have any further questions, please feel free to contact me by phone at (970)-243-6368 or by email at [lucas.west@state.co.us](mailto:lucas.west@state.co.us).

Sincerely,
