**Re: Green/Croissant Property Sand and Gravel Mine, Acreage Reduction Approval, Permit
No. M-2001-022, Revision No. AR-02**

Mrs. Fancher:

On July 9, 2016, the Colorado Division of Reclamation, Mining and Safety (Division/DRMS) approved your request for release of a portion of the permit area from further reclamation responsibility.

The permit area was reduced to 92.90 acres, through the release of 116.08 acres in this permit action. Because the permit is not totally released, you are still liable for filing annual reports and fees.

If you have any questions, please contact me at (303) 866-3567 Ext. 8124.

Sincerely,

Peter S. Hays
Environmental Protection Specialist
