Re: Revenue - Virginius Mine Information Center, Permit No. M-2012-032

Dear Mr. Fletcher,

The Division of Reclamation, Mining and Safety (DRMS) has reviewed the proposed information center that is to be constructed on the north side of County Road 26. Due to the information center being non-essential to the mining operation and solely being constructed to inform tourists in the area, DRMS has no issues or concerns with its construction.

If you need additional information, please contact me at the Division of Reclamation, Mining and Safety, Grand Junction Field Office, 101 S. 3rd St., Suite 301, Grand Junction, Colorado 81501, telephone no. 970.241.2042.

Sincerely,

Travis Marshall
Environmental Protection Specialist
