Re: Toltec No. 2, Permit No. M-1984-039, Enforcement Action Compliance

Mr. Benham,

On July 22, 2016 The Division of Reclamation, Mining and Safety (Division) received the additional financial warranty necessary to comply with the corrective actions outlined in the Board Order signed on March 3, 2016. At this time you are in compliance with the Act, Rules and Regulations, and all conditions of your permit. Therefore, the Cease and Desist Order has been lifted and activities on site may resume as normal.

If you have any further questions, comments or concerns feel free to contact me at the Division's Grand Junction Field Office at (970)-243-6368 or by email at lucas.west@state.co.us.

Sincerely,

Lucas West
Environmental Protection Specialist
