RE: Extension Request Approved; Incomplete Application for Transfer of Mineral Permit and Succession of Operators; Rothe Sand & Gravel Pit; Permit M-1995-017; Revision SO-01

Dear Mr. Saling:

On August 11, 2016 the Division of Reclamation, Mining and Safety received your request to extend the due date for requested materials regarding the incomplete application for Transfer of Mineral Permit and Succession of Operators. The Division has approved your 30-day extension request.

Please return the required documents to the Division before **September 12, 2016** to complete the application. All completed permit documents, outlined in the Division's June 17, 2016 incomplete application letter, are required to be submitted for consideration of your Request for Transfer of Mineral Permit and Succession of Operators Application. An incomplete application will be denied.

If you need additional information or have any questions, please contact me at Division of Reclamation, Mining and Safety, 1313 Sherman Street, Room 215, Denver, CO 80203, by telephone at **303-866-3567 x8132**, or by email at elliott.russell@state.co.us.

Sincerely,

Elliott R. Russell
Environmental Protection Specialist
