Dear Mr. Russell:

Thank you for your telephone call today regarding the above permit wherein you advised me that you have received our recently submitted documentation.

This will confirm that the City is requesting a 30 day extension from August 12, 2016 (– to September 12, 2016) to submit the necessary documentation from Xcel. We have been in communication with Todd Anderson of Xcel regarding this matter and are hopeful that they are diligently moving our request through their appropriate corporate channels. We plan on *circling around* with them if we have not heard from them by 1 September.

Please contact me if you have any questions.

J. Curt Penny
