Re: Martinez Pit, Weber Sand and Gravel, Permit No. M-2007-010, Request for Temporary Cessation Status

Board of Archuleta County Commissioners,

This letter is to inform Counties and Municipalities within two miles of a mining operation of the intent of the Operator to put their mining operation into a state of Temporary Cessation. This letter is sent pursuant to the requirements of Rule 1.13.6 of the Construction Materials Mining Rules of the Colorado Mined Land Reclamation Board.

Please be advised that Weber Sand and Gravel Inc., whose address is 2980 E Highway 160, Pagosa Springs, CO 81147 and whose telephone number is (970)264-4568, has filed Notice of Temporary Cessation with the Division of Reclamation, Mining and Safety for the Martinez Pit, Permit No. M-2007-010. The Mining operation is located at or near Section 18, Township 32N, Range 1W, and the 10th New Mexico Principal Meridian in Archuleta County.

The period of Temporary Cessation will commence beginning on December 1, 2016 and will last up to five years from that date, ending December 1, 2018. The notice submitted to the Division contains information pertaining to the reasons for cessation of the mining operation, a plan for resumption, and the measures taken to comply with reclamation and other necessary activities related to the performance standards of Rule 3 of the Hard Rock and Metals Mining Rules in order to maintain the mine in a non-producing or non-developed state.

The receipt of the Notice of Temporary Cessation will be acknowledged in the monthly activity report attached to the agenda for the September 28-29, 2016 meeting of the Mined Land Reclamation Board unless a written, timely objection is filed by a person directly and adversely affected or aggrieved as defined by Rule 1.1 (38.1) of the Hard Rock and Metals Mining Rules.

If objections are received, the Division will place the Notice of Temporary Cessation on the agenda for the October 26-27, 2016 meeting of the Mined Land Reclamation Board. During that meeting the Board will consider whether or not to accept the Notice.
