**Re: Notice of Receipt, 110 Construction Materials Reclamation Permit Amendment
Application Package, Deep Creek Placer, Permit No. M-1986-102, AM - 1**

Dan Collins:

On July 21, 2016, the Division of Reclamation, Mining and Safety received your copy of the newspaper publication of notice regarding the filing of your application and transmittal of a copy of the notice to all owners of record of surface and mineral rights, holders of any recorded easements, and all owners of record of lands that are within 200 feet of the boundary of the affected land.

Please note the decision date for your application has been extended at your request by 365 days to allow you to address other local, state and / or federal permitting issues, specifically the County Re-Zoning process. The new decision date for your application is **May 3, 2017**. Please contact the Division once the Re-Zoning process is complete.

The Division has reviewed your Construction Material Reclamation Permit Amendment Application Package and determined it is adequate to meet the requirements of the Act and Rules. Please contact the Division in writing if you wish to proceed to a decision prior to the May 3, 2017 decision date.

If you have any further questions or concerns, please feel free to contact me. At the Division of Reclamation, Mining and Safety's Grand Junction Field Office at (970)-243-6368 or by email at lucas.west@state.co.us.

Sincerely,
