Parcel 122 – Resource Development Project
OMLR Permit M-2015-033
Request for a Continuance

Dear Peter:

Please accept and affirm this request to extend the review period to the 365th day since the completion date – or 8 September 2016 – consistent with our conversation of 22 August 2016, from the scheduled 24 June 2016 Decision; necessary to allow for additional time to satisfy the requirements of Rule 6.4.19. It is our understanding if the matters necessitating this extension are not resolved on or before 8 September 2016, the matter will be scheduled for the next available Board date – likely 16 November 2016. Please affirm and/or clarify this request on or before 24 August 2016. Thank-you.

Sincerely,

Varra Companies, Inc.
