Re: Technical Revision North Bank Pit M-2006-018 – Clarification response

Dear Amy,

Oldcastle SW Group, Inc. dba United Companies would like to clarify the technical revision submitted, which will change the seed mix, only pertains to the rangeland seed mix. The original riparian seed mix in the reclamation plan will remain the same. Note: This TR will not change the acreage being reclaimed.

Sincerely,

Jason Burkey
Environmental Manager
