**Re: GCC Rio Grande, Inc.  
Agreement to Conduct Electronic Permitting**

Dear Mr. Olivares:

The Division has received and reviewed an executed Agreement to Conduct Permitting by Electronic Means (Agreement) for GCC Rio Grande, Inc. As a result of our review, we have identified a deficiency in the signed Agreement that will need to be resolved before an ePermitting account can be created for your company.

1. The final paragraph of the agreement form sent to you includes the following language:

*This signature on this Agreement must be notarized, and if the signature is that of a company, corporation, partnership, or governmental agency representative, must be accompanied by a notarized affidavit of signing authority of the individual for that entity.*

We have since revised the language of the Opt-In agreement for clarification:

*This signature on this Agreement must be notarized, and if the signature is that of a company, corporation, partnership, or governmental agency representative, must be accompanied by:*

- a) the attached notarized affidavit of signing authority of the individual for that entity, or*
- b) a resolution of the decision-making body of your company that authorizes an individual to sign the ePermitting Agreement on the company's behalf.*

Our records indicate that GCC Rio Grande, Inc. is a company (not an individual). Accordingly, the Division will require the inclusion of notarized affidavit of signing authority or corporate resolution along with the signed Agreement. Please provide an affidavit of signing authority or corporate resolution allowing you to act on behalf of GCC Rio Grande, Inc.

I have enclosed blank Opt-In Agreement and Affidavit of Signing Authority forms for your use. You need not resubmit the Opt-In Agreement; a completed and notarized Affidavit of Authority or corporate resolution will suffice. If you have any questions or need additional information, please contact me.

Sincerely,

Susan L. Burgmaier  
Business Process Technical Specialist
