Re: Triangle One Pit, file M-1980-228, Extension Request Approval

Mr. Carnahan,

On August 30, 2016 the Division of Reclamation, Mining and Safety (Division) received your request for a 60 day extension request to the decision date for the requested Surety Release (SL-01). This extension is to allow sufficient time to work out the terms of the renewed lease agreement between the operator and the landowner. The Division also received a comment from the landowner requesting the Division postpone the decision.

The Division is approving your request for a **60 day extension** to the decision date for SL-01. The new decision date is **Wednesday November 9, 2016**. Please notify the Division when the lease agreement is finalized. Notification must be received by Wednesday, November 9, 2016 or your request for Surety Release, SL-01 may be denied.

If you have any questions or require further information please feel free to contact me at the Division's Grand Junction Field Office at (970)-243-6368 or by email at lucas.west@state.co.us.

Sincerely,
