Dear Party and/or Interested Person:

The Division of Reclamation, Mining and Safety (Division) appreciates you taking time to participate in the review process of the above referenced permit application. The application for the Pueblo County Aggregate Project (formerly known as the 44th Lane Project), File No. M-2016-009, was filed with the Division on February 26, 2016, by Fremont Paving & Redi-Mix Inc. (Applicant). On June 14, 2016, the Applicant filed an amendment to the application in review. The Applicant has requested an extension of the review period which has resulted in new dates for the Division's Recommendation, Pre-hearing Conference, and Formal Board Hearing, which will officially be noticed in a follow-up correspondence.

Due to the number of parties and interested persons involved with this application, the Division has scheduled an informal public meeting to provide additional information.

Date: Tuesday, September 13, 2016

Time: 10:30 pm – 12:30 pm

Location: Lucero Large Community Room

Patrick A. Lucero Library

1315 E 7th Street

Pueblo, Colorado 81001

A free public parking lot is located just north of the Library.

You are considered a Party by the Division under the Mineral Rules and Regulations of the Colorado Mined Land Reclamation Board for the Extraction of Construction Materials (Rules) as a result of your timely submission of a written objection and/or comment to the application. Please be advised that as a Party you are NOT required to attend the informal public meeting in order to maintain your party status in this matter.

The purpose of the informal public meeting is to:

- Explain the reclamation permit application review process;

- Identify the issues that the Mined Land Reclamation Board (MLRB) has statutory jurisdiction to address under the Colorado Land Reclamation Act for the Extraction of Construction Materials, C.R.S. § 34-32.5-101, *et seq.*;
- Describe party status;
- Explain the Pre-Hearing Conference process; and
- Explain the formal MLRB Hearing process
