The terms of the Technical Revision No. 1 approved by the Division are hereby incorporated into Permit No. M-1994-027. All other conditions and requirements of Permit No. M-1994-027 remain in full force and effect.

The estimated liability amount of \$2,947,600.00 exceeds the \$350,775.00 performance bond currently held. If you have not already done so, please submit additional bond in the amount of \$2,596,825.00. The revision will not be final until the bond is approved by the Division.
