INTEROFFICE MEMORANDUM

9/29/2016

To: File

From Jason Musick

Based on a review by the Division, no adequacy issues were identified in the TR-107 application. TR-107 revises the permit to include an expansion of Pond J to the east. An expansion of Pond J to the west was approved under TR-84, which included an updated cost estimate. The design criteria does not change with the exception of expanded from the west to the east.
