Jason,

Please find the attached pdf which contains modifications to pages 2.03-5, 2.03-6 and 2.03-7 that address concerns noted by the division in the adequacy letter of August 25, 2016.

Modifications to the original submittal include: statements explaining that Oxbow US Coal LLC and Terror Creek LLC were merged into Oxbow Mining, LLC, End dates for Joseph Micheal Smith and Jeffrey Wadman, and an organization chart for Oxbow Mining LLC.

Please print out and replace the appropriate pages, except for the extra blank page 2.03-6 at the end. For some reason I can't get this blank page off of my original document.

Thank you for your attention to this matter.
