RE: Elkhorn Springs Pit (M-1980-013) - Corrective Actions

Mr. Cunningham,

Please find attached the documents for the corrective actions needed for the above referenced gravel pit inspection.

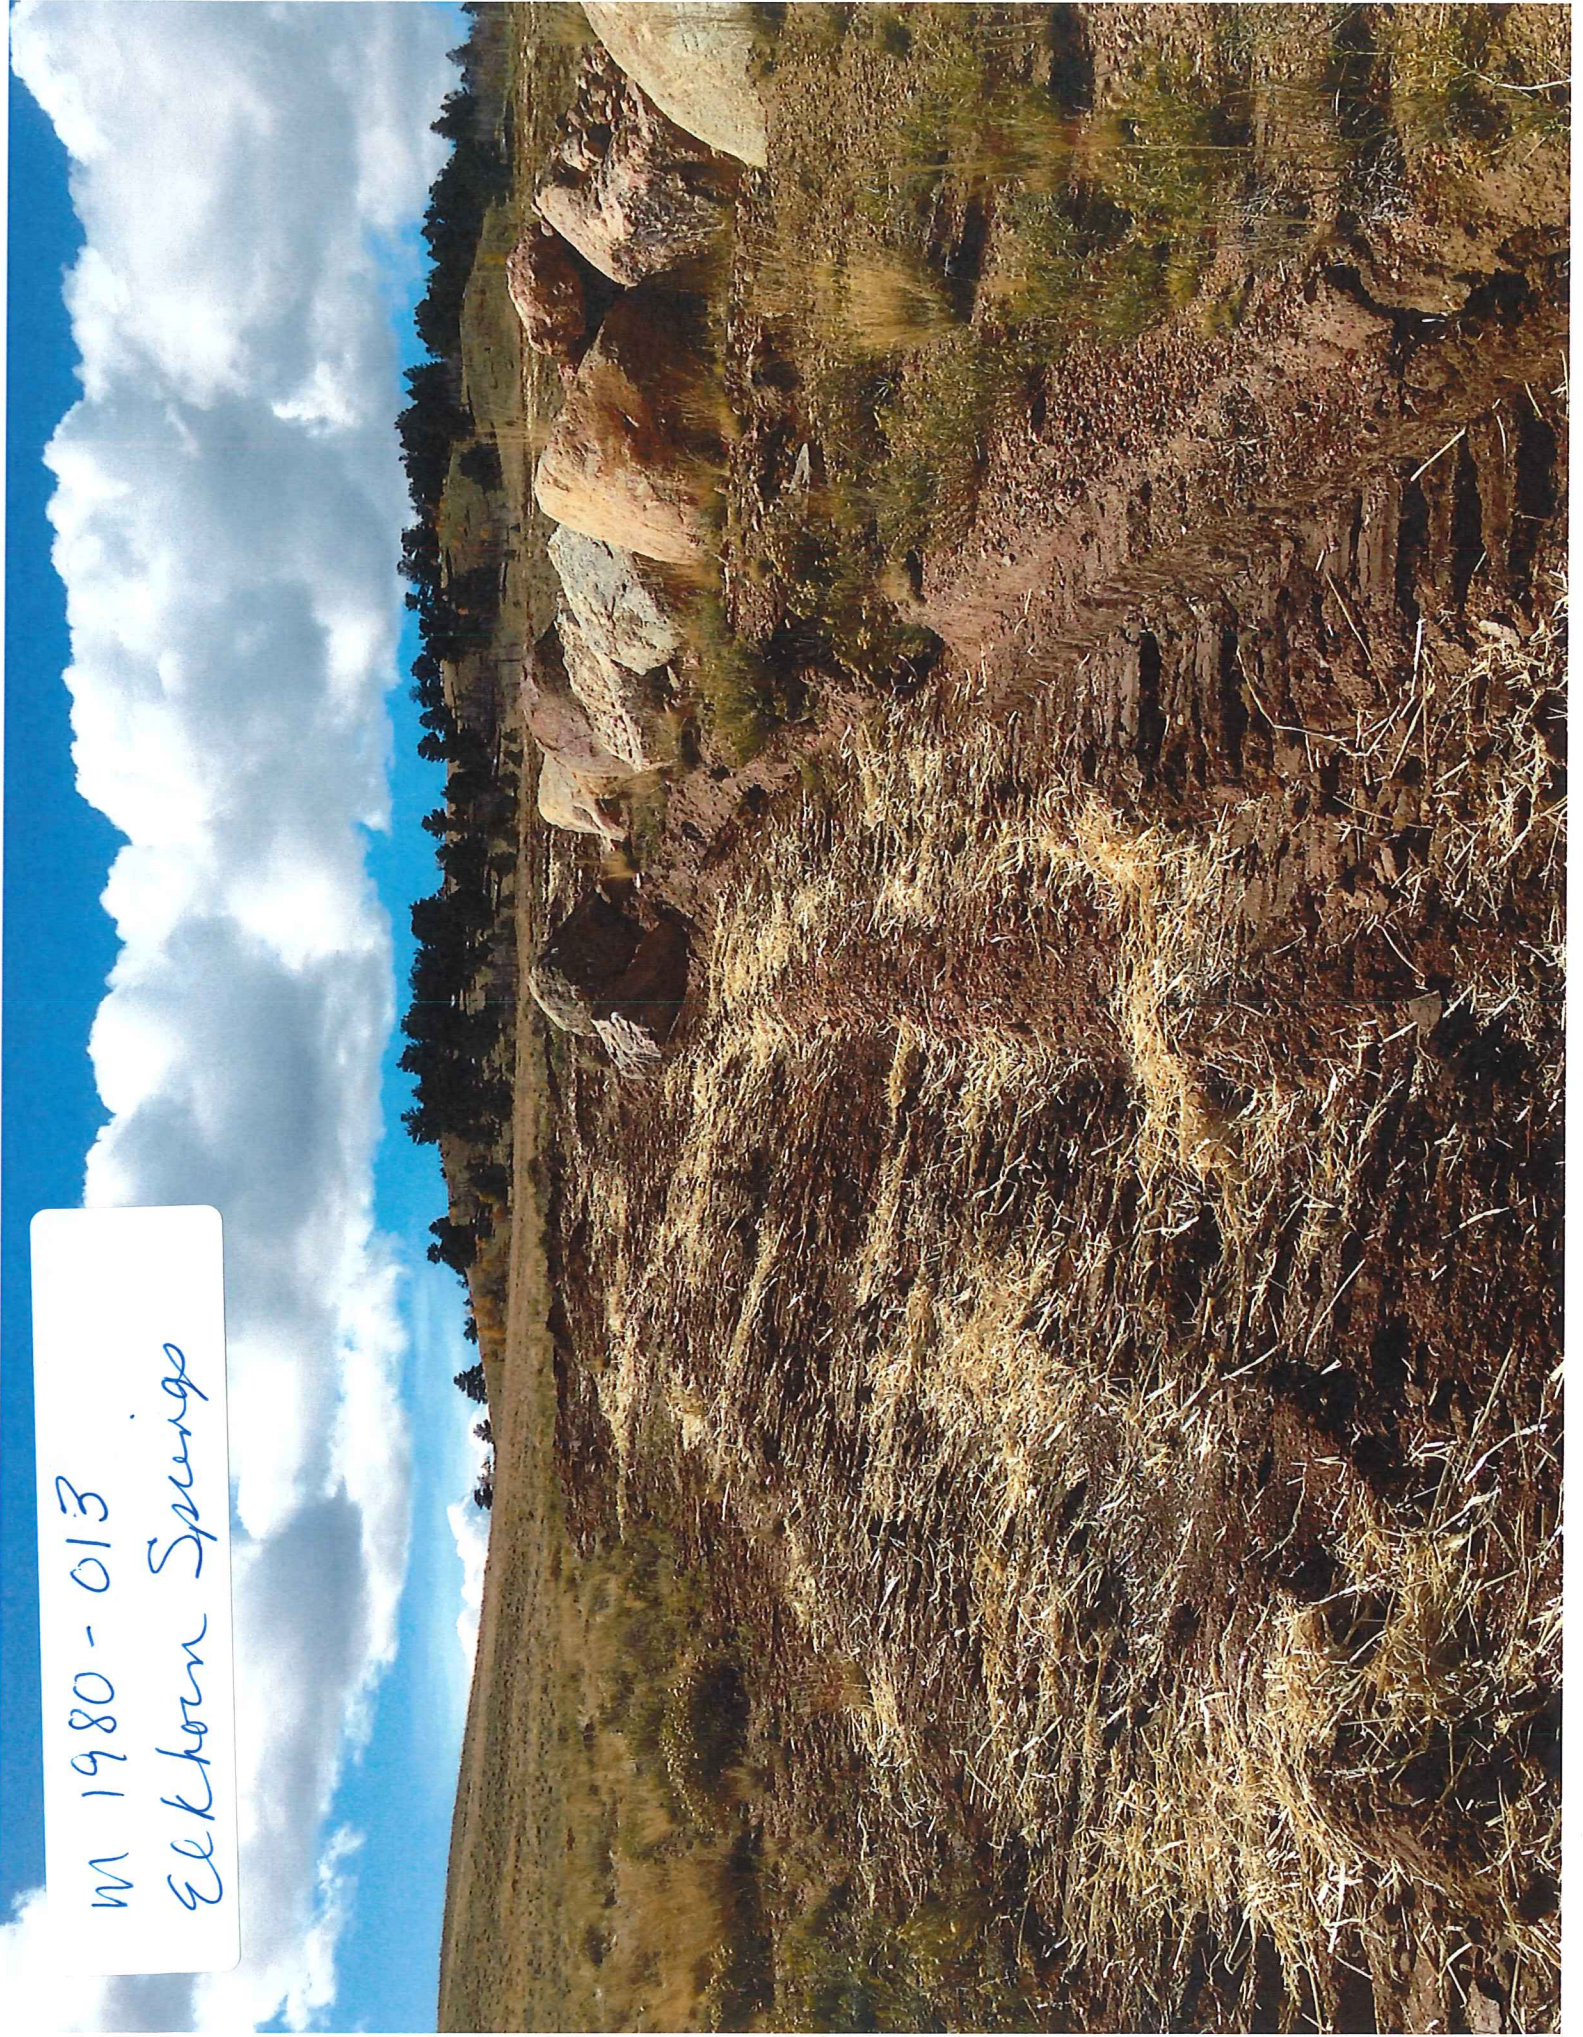

To repair the erosion issue areas of the pit were terraced to control and slow the runoff through the area. Some topsoil was added and the entire pit area was reseeded.

Feel free to call if there are any questions or any other items needed.

Sincerely,

Tammie Crawford
Transportation Manager

NOTICE TO BUYER: LIMITATIONS OF WARRANTY AND REMEDY

Seed yield and quality are dependent upon many factors beyond the control of the labeled seller and NO WARRANTY is made for crop yield and quality. The labeled seller warrants that all seed sold has been tested as required under applicable state and federal seed law and that the seed conforms to the label description within recognized tolerance. THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. THERE ARE NO WARRANTIES WHICH EXTEND BEYOND THE DESCRIPTION ON THE LABEL.

No claim shall be asserted against the labeled seller unless Buyer reports to the labeled seller within a reasonable period after discovery (not to exceed thirty days) any condition that might lead to a complaint. BUYER'S EXCLUSIVE REMEDY FOR ANY CLAIM OR LOSS RESULTING FROM BREACH OF WARRANTY, BREACH OF CONTRACT OR NEGLIGENCE (INCLUDING BUT NOT LIMITED TO INCIDENTAL OR CONSEQUENTIAL DAMAGES) SHALL BE LIMITED TO REPAYMENT OF THE PURCHASE PRICE.

By acceptance of the seed, Buyer agrees the terms and conditions stated above are a benefit to the buyer and constitute the entire agreement between Buyer and the labeled seller. Buyer shall return the original unopened seed package to the labeled seller within a twenty days of receipt for a refund of the purchase price if not accepted under these terms.

NOTICE: REQUIRED ARBITRATION / CONCILIATION / MEDIATION

The seed laws of several states including Arkansas, California, Colorado, Florida, Georgia, Idaho, Illinois, Indiana, Minnesota, Missouri, Montana, North Dakota, South Carolina (Section 46-21-260), South Dakota, Texas and Washington require arbitration, conciliation or mediation of disputes involving alleged defective seed before certain legal actions may be maintained against a seller. North Carolina offers an alternative to court action that allows disputes to be investigated and heard before the Special Seed Board. A complaint (form for AR, CO, IL, IN, MD, MI, MT, NC, ND, SC, TN, WA, signed only, CA, GA, HI, SD, SO) must be filed with the Department of Agriculture or Seed Commissioner (AR) or State Plant Board (AR) or Commissioner of Agriculture (CO, IL, IN, MD, MI, MT, NC, ND, SC, TN, WA, signed only, CA, GA, HI, SD, SO) in order to permit an inspection of seed, crops or plants by an Arbitration Committee (AR, CO, MD, SD, TN, WA, signed only, CA, GA, HI, SD, SO) or the amount of damages recovered. Certified copy of complaint must be sent or registered mail to the labeled seller accompanied by individual state law information about these requirements and may be obtained from the Seed Department of Agriculture.
