Re: NOI P2016-022 Withdraw

Mr. Marshall,

Kinross Gold U.S.A. Inc. submitted a new NOI for the Golden Wonder project in Hinsdale County Colorado on August 15th 2016. The NOI was specifically for operations to be conducted on private lands. The Colorado DRMS assigned it NOI number P-2016-022 in a NOD letter dated August 22, 2016.

The intent of this letter is to inform the Colorado DRMS of the withdrawal of NOI P-2016-022, as the proposed work will not be conducted.

Please consider this letter as official documentation of cancellation of the NOI referenced above. If you have any questions or require additional information, please do not hesitate to contact me.

Sincerely,

Kathleen Autenrieth
Sr. Exploration Geologist
