permit 85-001

Lucas West

Dear Lucas,

I am writing this letter to request a 60 day extension (up to 19 Dec, 16) on Technical Revision #1 on our Permit 85-001, because of unforeseen circumstances involving Nathan Barton's health. Nathan is handling the revisions, but because of serious health issues he has been unable to spend time on this project. We will keep you posted on his progress, and thank for your understanding.

We remain hopeful for Nathan's swift recovery.

Sincerely,

Jim Helmericks
