RE: ***Request for Extension*** - Martin Pit 1-A, File No. M-1990-140 – Construction Material (112) Operation Reclamation Permit Application

To Whom It May Concern:

On February 25th, 2016, Duran & Pearce Contractors submitted a Construction Material Regular (112) Operation reclamation Permit Application package for Martin Pit 1-A, File No. M-1990-140. Duran & Pearce Contractors received a letter on March 4th, 2016 from the Division after the preliminary review.

Duran & Pearce Contractors has since been notified by Phillip Courtney, Solid Minerals Leasing Manager for the State of Colorado Land. It was brought to our attention that Duran & Pearce Contractors does not own the subsurface rights and we are now in the process of negotiating a Lease Agreement and Terms with the the State.

Duran & Pearce Contractors has come to a lease agreement with the SLB and are in the process of finalizing the lease agreement so we can move forward with the Permit Application.

Duran & Pearce Contractors is requesting an an additional 60-day in that we can complete this Lease process.

Please call with any questions.
