Jason,

Please find the attached files in response to the requests contained in the second adequacy review for the Terror Creek Loadout.

A completed SO-1 form is attached, as requested.

A plan of merger for Terror Creek LLC and Oxbow Mining LLC is attached.

The ownership and control attachment has been updated to reflect the requested information. This attachment also includes Ownership percentages. Please note that Crestview-Oxbow Acquisition, LLC cannot commit financial or real property assets of Oxbow Mining, LLC, nor do they control any of the operations, as has been documented in Elk Creek Mine Permit revisions.

A bond instrument is being prepared to reflect the merger into Oxbow Mining, LLC and will be provided as soon as it is completed.

Sincerely,

Doug Smith
