Michael,

On behalf of our client, Arkins Park Stone, regarding the Arkins park Quarries Adequacy Review (DRMS File No. M-1985-212), we would like to formally request a 45-day extension to the decision date of December 1, 2016. With your approval, the revised decision date would become January 17, 2017 (accounting for the weekend and Martin Luther King Jr Day).

Thanks for your help,

Troy

Please note: I will be out of the office November 21-25
