RE: Request for Extension on Corrective Actions
Flying Horse Pit – Permit #M-2013-012

Mr. Cunningham,

Kirkland Construction has been in the middle of a heavy construction season and has not had anyone in the area of the Flying Horse Pit. The construction season is about over so we will be able to free someone up to replace the sign on fence of the Flying Horse Pit.

At this time, Kirkland Construction is requesting a 60 day extension.

If you have any questions or concerns, please feel free to contact me at 719-489-3385.

Respectfully,

Leonard Read
Kirkland Construction, RLLP
