RE: Flying Horse Pit; DRMS File No. M-2013-012; Inspection Problem Abatement
Extension Approval

Dear Mr. Read,

The Division of Reclamation, Mining and Safety has received, reviewed, and approved the request for an extension of the corrective action date for the above referenced pit. The new corrective action date is:

1. The operator shall, at the entrance of the mine site, post a sign which shall be clearly visible from the access road with the following: the name of the operator, a statement that a reclamation permit for the operation has been issued by the Colorado Mined Land Reclamation Board; and the permit number. The operator shall submit photo documentation that a proper sign has been posted by the corrective action date. – **January 20, 2017.**

If you have any questions, you may contact me at (303)866-3567 x8116.
Sincerely,

Michael A. Cunningham
Environmental Protection Specialist
