RE: M1990-041, Buildings, Structures, Capital Improvements.

Dear Mr. Cunningham,

This letter is written to confirm to the Colorado Division of Reclamation, Mining and Safety ("Division") that it is the intent and desire of the George E. Otten, Jr. Trust ("Owner") to leave intact, the buildings, structures and capital equipment located upon the Golden Gilpin millsite (Gilpin County Parcels 183307201035 and 183307201022). These structures and equipment are consistent with the land use code and designation within Gilpin County & the City of Blackhawk (Commercial/Mixed Use; Millsite Non-Gaming). The historic nature of the structures and equipment are also consistent with the "Heritage" and "Cultural Tourism" goals as outlined in the City of Blackhawk Comprehensive Plan (Adopted November 10, 2004). It is the Owner's intent that existing structures remain post-mining and beyond the life of the current DRMS reclamation permit.

If you have any questions regarding this matter, please do not hesitate to contact me at your convenience.

Sincerely,

George E. Otten, Jr.
Trustee
