NOTICE OF PROPOSED DECISION

The Colorado Division of Reclamation, Mining and Safety proposes to approve Transfer of Permit No. 1 (SO-1), submitted by Tri-State Generation and Transmission Association, Inc to a coal mining permit at the New Horizon North Mine. The permit will be succeeded by Elk Ridge Mining and Reclamation, LLC.

The New Horizon North Mine is a(n) surface operation located in Montrose County, approximately 2.5 miles Northwest of Nucla. Coal interest is private, and the surface to be affected is private land. The permit area encompasses approximately 328.70 acres.

This proposed decision is based on a finding that the proposed operation will comply with all requirements of the Colorado Surface Coal Mining Reclamation Act, Section 3433101, et seq., C.R.S., and the regulations promulgated thereunder.

Copies of the proposed decision, including stipulations, are on file for public inspection at the Colorado Division of Reclamation, Mining and Safety, Room 215, Centennial Building, 1313 Sherman Street, Denver, Colorado 80203 and on the Division's website at <http://mining.state.co.us/Reports/MiningData/Pages/ImagedDocumentData.aspx>. A user's guide for our document imaging system is also available in pdf format at the same web address. Persons with an interest that may be adversely affected by the proposed decision may request a formal hearing before the Mined Land Reclamation Board on the proposed decision. Such request must be made on or before November 2, 2016, must be in writing, and must state with reasonable specificity the reasons for the request and the objections to the proposed decision.
