RE: Wright Pit; DRMS File M-1986-140; Receipt of 112 Construction Materials
Reclamation Permit Conversion Application Package

Dear Ms. Crawford,

On November 9, 2016, the Division of Reclamation, Mining and Safety (Division) received your 112 Construction Materials Reclamation Permit Conversion Application package for the Wright Pit, File No. M-1986-140. Preliminary review of the information received determined that the following items must be received before the Division can consider your Conversion Application as being submitted and technical review can begin:

Application

1. Pursuant to Rule 1.6.2(1)(b), the Applicant is to provide a signed affidavit certifying the required public notice has been posted at the location of the mine site. Please complete and return the enclosed affidavit certifying the public notice has been posted at the mine site.
2. The Certification Section of the Application Form (Page 8) was not fully completed. Please ensure all fields within the signature block are completed, including the Title of the signee and the Applicant/Operator name. In addition, ensure the Certification Section is signed by the County Clerk. A blank copy of the Certification Section of the Application Form has been enclosed with this letter for your use.

6.4.18 Exhibit R – Proof of Filing with County Clerk and Recorder

3. The Applicant did not submit proof the Conversion Application was filed with the County Clerk and Recorder for public review. Proof of filing shall be an affidavit or receipt indicating the date on which the Conversion Application was placed with the County Clerk and Recorder for public review.

Ms. Crawford

Your application will not be considered submitted until the information listed above is received and found sufficient to begin our review. A decision date will be established 90 days from the date of receipt of all of the requested information. Additionally, if you have already published notice you will need to republish notice, after the Division considers the application submitted. This notice must be published once a week for four (4) consecutive weeks, starting within ten (10) days of the date your application is considered submitted. We will notify you when you should initiate republication of your notice. The final date for receiving comments is the 20th day after the fourth publication or the next regular business day.

You have sixty (60) days from the above date to submit all necessary documents that the Office needs for an application to be considered filed. If, at the end of the sixty day period, the application has not been determined to be filed with the Office, the Office shall deny the application and terminate the application file.

This letter shall not be construed to mean that there are no other technical deficiencies in your application. The Division will review your application to determine whether it is adequate to meet the requirements of the Act after submittal of all required items.

Sincerely,

A handwritten signature in blue ink, appearing to read "M.A. Cunningham".

Michael A. Cunningham
Environmental Protection Specialist
