**Re: M-1998-038, Rowe Gravel Pit, Notice of Incompleteness, Revision TC-1**

Mr. Rowe,

On November 17, 2016 the Division of Reclamation, Mining and Safety received your Notice of Temporary Cessation request form. Your request was deemed incomplete for the following reason;

*The submitted fee was insufficient. The required fee is \$144.00, and only \$114.00 was submitted.*

In order to gain completeness, please submit a check for the remaining \$30.00 and a letter explaining the discrepancy to the Division's Denver Office, within **30 days** of the date of this letter. The remainder of the fee, and letter must be received no later than December 22, 2016. If completeness is not achieved by the due date, the revision may be denied.

If you have any questions or comments please feel free to contact me at the Division's Grand Junction Field Office at (970)-243-6368 or by email at [lucas.west@state.co.us](mailto:lucas.west@state.co.us).

Sincerely,
