Jason,

Thank you for soliciting our input regarding the installation of a gasification plant at the Bowie No. 2 Coal Mine in Delta County, Colorado. Unfortunately, the information provided is not enough for me to determine which, if any, solid waste regulations would apply. After additional information is obtained, please don't hesitate to contact me for additional review and comment.

Thank you also for contacting other Divisions within CDPHE (Air Pollution Control and Water Quality Control) for their input as well.
