Hello Michael,

Attached are the photos from the Pioneer Sand and Gravel - Leyden Pit - located at 7608 Highway 93, Golden CO 80403.

We have removed the knapweed from the site.

Diamond Contracting Corp. Jim Creevey, Mobile number 303-809-2976 completed the work. The knapweed was removed and taken to the landfill.

We wanted to have the work completed before the snow came...we were very fortunate.

If you have any questions or need further information please give me a call or email.

Sincerely,

Judy
