**Re: Notice of Completeness, Notice of Temporary Cessation, Rock Pit Mine, Permit No. M-1985-082**

Ms. Sevier,

On August 30, 2016 the Division of Reclamation, Mining and Safety (Division) received the required outstanding items identified in the Notice of Incompleteness for the Notice of Temporary Cessation dated September 7, 2016. Your Notice of Temporary Cessation is now considered complete and filed.

The Notice of Temporary Cessation will be acknowledged in the monthly activity report attached to the agenda for the January 25-26, 2017 meeting of the Mined Land Reclamation Board unless a written, timely objection is filed by a person directly and adversely affected or aggrieved as defined by Rule 1.1 (34.1) of the Construction Materials Mining Rules.

If objections are received by Monday January 23, 2017 the Division will place the Notice of Temporary Cessation on the regular agenda for the February 22-23, 2017 meeting of the Mined Land Reclamation Board. During that meeting the Board will consider whether or not to accept the Notice.

If you require any additional information, or have questions or concerns, please feel free to contact me at the Division's Grand Junction Field Office at (970)254-8511 or by email at amy.yeldell@state.co.us.

Sincerely,
