### **Summary and Resolution of Interaction:**

The Operator cleaned out the ditch which crosses the Francis property following the complaint received from Mr. Francis (CT-05). The Division observed evidence of the ditch cleaning on 3/11/16 during a site inspection. The ditch is used for dewatering discharge from the Loloff Mine. The Division has not received additional complaints regarding impacts to Mr. Francis' wells after the ditch was cleaned by Loloff Construction. CT-05 is considered closed by the Division.
