**RE: Decision Date Extension Approval; Stewart Pit II, Permit No. M-2009-010, 110c to 112c
Conversion; CN-01**

Dear Mr. McCormick,

On December 21, 2016, the Division of Reclamation, Mining and Safety (Division) received your request to extend the decision date for the Conversion Application (CN-01) of the Stewart Pit II, Permit No. M-2009-010, by 30 days. The Division hereby approves the extension request to January 25, 2017.

If you need additional information or have any questions, please contact me at the Division of Reclamation, Mining and Safety, 1313 Sherman Street, Room 215, Denver, CO 80203, by telephone at **303-866-3567 x8132**, or by email at elliott.russell@state.co.us.

Sincerely,

Elliott R. Russell
Environmental Protection Specialist
