Re: Kagie Gravel Pit #M-1979-102
Extension Request for completion of the replacement of the boundary markers

Dear Ms. Yeldell,

I would like to request an additional extension of the corrective action regarding the boundary marker replacement to be completed no later than May 31, 2017. I am requesting this extension time due to the snow and accessibility during the winter.

The corrective actions regarding the financial warranty, annual report and weed management plan have been completed. (The technical revision form and weed management plan are attached and the originals with payment have been mailed.) In addition, the identification sign has been repainted. (photo attached)

I appreciate your consideration in this matter.

Thank you,

A handwritten signature in blue ink that reads "Stacy L. Quick".
