Dear Carl;

RE: Albert and Mary Jane Frei Irrevocable Trust
Is it mining - Continuance

On behalf of the Albert and Mary Jane Frei Irrevocable Trust, I am requesting a second continuance of our scheduled appearance for a decision on the "Is It Mining" question, from May 2007 Board meeting to the June 2007 board meeting. We just completed the technical items the Division requested and do not feel the Division will have adequate review time before the May Hearing. In addition, I will be out of town from April 30 to May 7 so it would be hard for us to supply additional information or address any questions the Division may have found during the review.

Thanks for your help and if you have any questions call me at 303-423-7297.

Respectfully Submitted,
