**Re: American Shale Oil, LLC, Notice of Intent (NOI), File No. P-2008-046, Notice of Receipt of Notice of Partial Completion of Reclamation and Request for Partial Release of Reclamation Responsibility, SR-01.**

Dear Mr. Goldin,

The Division of Reclamation, Mining and Safety (Division) has received a notice of partial completion of reclamation and a partial surety reduction request. Division staff inspected the site on November 23, 2016 and verified that all reclamation has been completed excluding establishment of complete revegetation and removal of fencing installed to keep livestock and wildlife from grazing on the reseeded areas.

The Division deems the request complete and will evaluate the request for technical adequacy. The Division will issue a decision letter no more than thirty (30) days from the date of this letter.

If you need additional information, please contact me at the Division of Reclamation, Mining and Safety, Grand Junction Field Office, 101 S. 3rd St., Suite 301, Grand Junction, Colorado 81501, telephone no. (970) 241-2042.

Sincerely,

Travis Marshall  
Environmental Protection Specialist
