**Re: Weld County; Geisert Pit; Acreage Reduction Approval; Permit No. M-1978-210;
Revision No. AR-07**

Mr. Kimmi:

On January 20, 2017, the Colorado Division of Reclamation, Mining and Safety (Division/DRMS) approved your request for release of a portion of the permit area from further reclamation responsibility.

The permit area was reduced to 59.69 acres, through the release of Cell E – 8.45 acres in this permit action. Because the permit is not totally released, you are still liable for filing annual reports and fees.

If you have any questions, please contact me at peter.hays@state.co.us or (303) 866-3567 Ext. 8124.

Sincerely,

Peter S. Hays
Environmental Protection Specialist

Ec: Wally Erickson, DRMS
