Re: Request for Extension – Midwestern Farms, M-1993-059 TR-05

Dear Ms. Eschberger,

Per our conversation, it is my understanding that changes have occurred with the Colorado Parks and Wildlifes involvement in the reclamation of Midwestern Farms that will impact our reclamation TR-05, adequacy review response. We would like to request an additional 60 day extension to address changes to our response which was recently submitted. Please consider our current response void at this time.

Please contact me at 719-489-3385 with any questions or concerns.

All the best,
Eastern Colorado Aggregates
