Subject: M-2016-030

Dear Jeff and John:

I am pleased to report that Brannon Sand and Gravel Company LLC, Anadarko Land Corp, Anadarko E&P Onshore LLC, Kerr-McGee Oil & Gas Onshore LP and Kerr-McGee Gathering LLC have reached an agreement for the compatible development of oil and gas and construction materials from the area covered by Brannon's permit application M-2016-030. The Anadarko/Kerr-McGee entities formally withdraw their protests to this application which will obviate the need for a hearing on the protest tomorrow. Please let me know if you desire anything further in this regard.

Brian Tooley

Attorney for Anadarko Land Corp, Anadarko E&P Onshore LLC, Kerr-McGee Oil & Gas Onshore LP and Kerr-McGee Gathering LLC.
