Conversion Application to add 20.95 acres to the current 9.99 acre site for a total of 31.94 permitted acres.

The terms of the Conversion No. 1 approved by the Division are hereby incorporated into Permit No. M-2010-034. All other conditions and requirements of Permit No. M-2010-034 remain in full force and effect.

The estimated liability amount of \$54,500.00 exceeds the \$17,000.00 performance bond currently held. If you have not already done so, please submit additional bond in the amount of \$37,500.00. The revision will not be final until the bond is approved by the Division.
