Notice to Parties and Interested Persons to the Cresson Project Amendment 11 Permit Application

Re: Notice of Pre-hearing Conference and Formal Board Hearing Cancellation, Amendment No. 11 (AM-11) Application for the Cresson Project, Permit No. M-1980-244

Dear Party and/or Interested Person:

In a previous notice from the Division of Reclamation, Mining and Safety (Division), dated January 11, 2017, you were informed of a Pre-hearing Conference scheduled for February 8, 2017 at 1:00 pm to be held at the Cripple Creek Heritage Center. As of January 30, 2017 all parties from which the Division received timely written objections to the application, have submitted Party Status Withdrawal Forms, thus negating the need for a Pre-Hearing Conference and the need for a Formal Board Hearing pursuant to C.R.S. 34-32-115 and Rule 1.4.8(1).

This notice provides formal notification of the cancellation of the Pre-Hearing Conference that was to be held at the Cripple Creek Heritage Center on February 8, 2017 at 1:00 pm and that the matter is no longer scheduled to be heard at the February 22-23, 2017 Mined Land Reclamation Board meeting.

If you have any questions, you may contact me at the Division of Reclamation, Mining and Safety at 1313 Sherman Street, Room 215, Denver, CO 80203, by telephone at 303-866-3567, ext. 8169, or by email at tim.cazier@state.co.us.

Sincerely,

Tim Cazier, P.E.

Environmental Protection Specialist
