RE: Conversion Approval (CN-01); Stewart Pit II; Permit No. M-2009-010;

Dear Mr. McCormick:

On January 23, 2017 the Division of Reclamation, Mining and Safety approved the Conversion application submitted to the Division on March 29, 2016, addressing the following:

110c to 112c Conversion Application; addition of 49 permitted acres for a total of 58 acres.

The terms of the Conversion No. 01 approved by the Division are hereby incorporated into Permit No. M-2009-010. All other conditions and requirements of Permit No. M-2009-010 remain in full force and effect.

The updated Performance Warranty, received on November 23, 2016, contains an error with the signature and notary dates. A new Performance Warranty has been enclosed with this letter. The Division has set the required Financial Warranty amount at \$52,600.00, which exceed the \$48,681.00 bond currently held by \$3,919.00. Please submit the additional bond. **The revision will not be final until the Performance and Financial Warranties are approved by the Division.**

For questions regarding financial warranties, please contact Barbara Coria, the Division's Financial Assurance Specialist, at (303) 866-3567 x8148. There are various financial warranty application forms on our website at mining.state.co.us.

If you need additional information or have any questions, please contact me at Division of Reclamation, Mining and Safety, 1313 Sherman Street, Room 215, Denver, CO 80203, by telephone at **303-866-3567 x8132**, or by email at elliott.russell@state.co.us.

Sincerely,

Elliott R. Russell
Environmental Protection Specialist
