Dear Mr. Gebhart,

On February 1, 2017, the Division of Reclamation, Mining and Safety increased the current Financial Warranty required for this permit to \$31,850.00, in accordance with Rule 4.2.1 of the Rules and Regulations. This is an increase of \$6,350.00.

The Division ordered amendment of the current Financial Warranty, or submittal of a new Financial Warranty reflecting this increase is due by April 3, 2017. If you wish to submit a different type of Financial Warranty, please contact me such that I may send you the applicable form.

The Permittee for this site may be scheduled for a Formal Board Hearing for possible revocation of the permit after April 3, 2017, if the amount of any increased Financial Warranty has not been provided.
