RE: Sacramento Access Tunnel, File No. M-2016-084, 110(2) Decision due date extended

Mr. Gydesen:

On January 23, 2017 the Division of Reclamation, Mining and Safety (Division) received your proof of public notice. The notice was published on January 19, 2017 with a stated deadline for submitting comments of February 4, 2017. Please note that pursuant to Rule 1.7.2 comments are to be received by the Division within ten days after the date of publication. February 4, 2017 is the decision date for the application. Due to this discrepancy, the Division has extended the decision deadline for this application to February 10, 2017 in order to allow time for consideration of any comments that may be received by the published deadline.

If you require additional information, or have questions or concerns, please contact me at the Division's Grand Junction Field Office.

Sincerely,

Dustin Czapla
