RE: Powell's Gravel Pit, Permit No. M-1995-012, Technical Revision Extension Request Approval-2

Dear Mr. Combes:

On December 8, 2016 the Division of Reclamation Mining and Safety (Division) received a technical revision request from you. On December 20, 2016 the Division responded back with several adequacy items that needed to be addressed prior to the revision being considered for approval. On February 2, 2017 responses to adequacy review 1 were received with a decision due date on February 3, 2017. The Division noted that additional time would be necessary in order to review the information provided. On February 3, 2017 an extension request was received.

The Division is approving this extension request. The new decision due date will be set for **February 17, 2017.**

The Division will continue to review the provided information. If addition information or adequacy items are identified you will be notified.

If you require additional information, or have questions or concerns, please feel free to contact me. Amy Yeldell at the Division of Reclamation, Mining and Safety, 1313 Sherman St., Room 215, Denver, CO 80203. Direct contact can be made by phone at 970-254-8511 or via email at amy.yeldell@state.co.us

Sincerely,
