**Re: May Day Idaho Mine Complex, Permit M-1981-185, Succession of Operators
Approval, Revision SO-3**

Sara. Glinatsis:

On February 9, 2017, the Division of Reclamation, Mining and Safety approved, with conditions, the succession of operators from Wildcat Mining Corporation to Sunrise Mining LLC for this operation. The condition of the approval are that the Structure Agreements requirement will be fully satisfied in the upcoming Board Ordered Amendment and are not required at this time. Therefore, Sunrise Mining LLC is now the permitted operator of the May Day Idaho Mine Complex, and as such, is responsible for all provisions in M-1981-185, as well as those specified in the Rules and Regulations. Wildcat Mining Corporation is relieved of all responsibilities concerning this operation.

Please Note:

1. All of the application materials, as amended and supplemented, are in integral part of your permit. They have been incorporated into the permit by reference. We presume that you have a copy of all of these materials; therefore, none have been enclosed with this mailing. We suggest that you keep a copy of the permit and the permit application at the mining operation as a reference for operation personnel, to help ensure compliance with the terms of the permit.
2. Changes in the mining and reclamation operations that differ from those described in the permit may require a modification to the permit. We suggest consulting the Rules and Regulations and/or contacting us to determine if a modification to the permit is necessary. Rule 1.10 pertains to Amendments, Rule 1.9 to Technical Revisions, and Rule 1.11 to Conversions.

3. On your permit anniversary date each year, you must submit an annual fee and annual report to us. Please consult the Rules, Act, and your permit for specific requirements.

The transfer of this permit does not result in the transfer of any other permits or licenses, with this Division, the State, or Federal Agency, which might be associated with this operation. If you have any questions, Please feel free to contact me at the Division's Grand Junction Field Office, by email at lucas.west@state.co.us or by phone at (970)243-6368.
