Re: Receipt of Corrective Action Documentation; Cresson Project; Permit No. M-1980-244

Dear Mr. Henris,

The Division received your response in regards to the Compliance Problem #3 identified in the August 18, 2016, inspection report of the Cresson Project. The status of the corrective action is listed below.

PROBLEM 3: Signs delineating the edge of the Arequa Gulch Valley Leach Facility liner are missing and/or damaged.

On February 7, 2017, the Operator's submitted a report and photographic documentation showing the new Edge of Liner Signs have been installed; **this problem has been resolved.**

If you need additional information or have any questions, please contact me at Division of Reclamation, Mining and Safety, 1313 Sherman Street, Room 215, Denver, CO 80203, by telephone at **303-866-3567 x8132**, or by email at elliott.russell@state.co.us.

Sincerely,

Elliott R. Russell
Environmental Protection Specialist
