Re: File No. M-2016-084, Sacramento Access Tunnel, 110(2) Decision Letter - Conditions, Financial and Performance Warranty Request - Hard Rock Mining Operation

Robert Gydesen:

On February 10, 2017, the Division of Reclamation, Mining and Safety approved with conditions your 110(2) mining permit application. The conditions to the approval are noted below:

No mining activity will take place until the Division has inspected the site and issued an authorization to proceed.

The amount of financial warranty set by the Division for this operation is \$7,600.00. You must submit a financial warranty in this amount and a performance warranty in order for us to issue a permit. In the event you have requested a financial warranty form, we have enclosed it in this letter. If you have not, please select a type of financial warranty from Rule 4.3. Then contact us so that we can provide you with the appropriate warranty form. We have enclosed a performance warranty form with this letter for your use.

PLEASE NOTE THAT MINING OPERATIONS MAY NOT COMMENCE UNTIL A PERMIT HAS BEEN ISSUED BY THE DIVISION AFTER RECEIPT OF YOUR FINANCIAL WARRANTY AND PERFORMANCE WARRANTY. A PERMIT WILL NOT BE ISSUED UNTIL WE VERIFY THE ADEQUACY OF BOTH YOUR FINANCIAL WARRANTY AND PERFORMANCE WARRANTY.

If you have any questions, please contact me.

Sincerely,

Dustin M. Czapla
Environmental Protection Specialist
