**Re: Arkins Park Quarries, Permit No. M-1985-212, Amendment Approval (AM03)**

Dear Messrs. Sprague:

On February 13, 2017 the Division of Reclamation, Mining and Safety approved the Amendment application submitted to the Division on August 4, 2016, addressing the following:

*Increase affected area from 177 acres to 192.4 acres.*

The terms of the Amendment No. 3 approved by the Division are hereby incorporated into Permit No. M-1985-212. All other conditions and requirements of Permit No. M-1985-212 remain in full force and effect.

The estimated liability amount of \$216,534.00 exceeds the \$137,100.00 performance bond currently held. If you have not already done so, please submit additional bond in the amount of **\$79,434.00**. The revision will not be final until the bond is approved by the Division.
